Choose a Continent

1. If you could visit any continent that Geo and Meri saw, which would you choose? Use the **Continent Pro/ Con Chart** to rate pros and cons of each continent and make a choice.
2. Now that you have chosen a continent, what places there would you definitely want to see (and why)? Choose at least three specific locations and add them to the **Locations Chart**.
3. What cardinal directions would you travel between home and your chosen locations? What specific types of transportation that you must use? Write a set of directions with approximate distances and cardinal directions on the **Directions Chart**.
4. Write a paragraph or blog entry explaining why you choose to visit this continent. Use at least three of the following terms in your answer: climate, natural resources, landform, longitude, latitude, hemisphere.
