### Find the Locations

Can you figure out the locations (specific countries) of the map coordinates listed below? Use the map links to help.

1. The continent is Africa. The map coordinates are 15 00 North and 30 00 East.

<http://www.worldatlas.com/webimage/countrys/af.htm>

What country is it?

2. The continent is South America. The map coordinates are 0 (do you remember what is found at 0 degrees latitude?) and 75 West.
